Strengths:

- Flexible, contract-oriented production
- Quality in detail, durability
- Environmentally friendly production and products
- Innovation, ergonomics and design
- Customer orientation in marketing, consulting and service
- Distribution throughout Europe, global customer support

Sedus Stoll AG, head office in Dogern (district of Waldshut), is one of the leading full-range suppliers of office furniture and work place concepts. Sedus develops, produces and distributes high quality furniture “Made in Germany”. The company is an established brand and has nine subsidiaries in Europe and Dubai, and is present in more than 70 other countries worldwide.

Being an office furniture expert and engineering pioneer, Sedus has raised the bar again and again in its 145-year company history – particularly in the fields of ergonomics, design and sustainability. The company developed standards that gained importance on a global scale.

Sedus is synonymous with innovation, technology and aesthetics and keeps contributing to the “office environment” with new product ideas and contemporary concepts.

Sedus turns its attention especially to current trends and changes in the office world. New forms of working and organisational structures demand flexible, aesthetic furnishing and customised solutions facilitating movement and communication, with a special focus on employee health.

The Sedus Stoll Group closed the 2019 fiscal year with sales of more than EUR 210 million and has more than 900 employees.
